Labycare-CPR Mask Child (SKSS-AP091)

CPR Mask Child Manufacturer By LABYCARE

Description :

CPR is known as Cardiopulmonary resuscitation.

It is an emergency procedure that combines chest compression often with artificial ventilation in an effort to manually preserve intact brain function until further measures are taken to restore spontaneous blood circulation and breathing in a person who is in cardiac arrest. It is indicated in those who are unresponsive with no breathing or abnormal breathing, for example, agonal respirations.

The CPR Resuscitator Mask Kit is for artificial respiration that avoids direct contact to Mouth with the patient.

It is single patient use.

Available Color of Face Mask: White, Green, Blue and as per customer's special requirement

We are Manufacturer, Exporters and Suppliers of CPR Mask Child Silicone Mask at wholesale competitive prices from India.
