

## Labycare-R. O. M. Knee Brace (SKSS-RP518)

R. O. M. Knee Brace Manufacturer by LABYCARE

### **Description :**

R. O. M. Knee Brace is recommended in conditions like sports-injury, patella/joint dislocation and post-surgery.

Rehabilitative brace aims at returning the patient to the daily activities in shortest span of time.

Range of Motion of the knee joint can be controlled through a multi-point joint fixation system which helps to check flexion/extension or immobilization (10 to 900 flexion and 1 to 1200 extension).

Size and side adjustable. It can be used before and after removal of dressing.

It is prefabricated and custom adjusted range of motion (ROM).

Controls and restrict flexion / extension of the knee joint through a multi point joint fixation system to allow a range of motion or immobilization to the knee.

Common for left & right Leg.

We are Exporters and Suppliers of R. O. M. Knee Brace at wholesale competitive prices from India.
