

Labycare-Bacterial Filter Disposable (SKSS-SM49)

Bacterial Filter Disposable Manufacturer by LABYCARE

Description :

Bacterial Filters are made for single use only

Bacterial Filters are packed individually

Bacterial Filters are made from medical grade raw materials and are used to prevent bacteria from the secretions suctioned from escaping the collection bottle.

These filters are disposable and have to be replaced when the collection bottle overflows.

We are Manufacturer, Exporters and Suppliers of Bacterial Filter Disposable at wholesale competitive prices from India.
