

Labycare-Suction Tube (SKSS-SM56)

Suction Tube Manufacturer by LABYCARE

Description :

Suction Tube is transparent tubing with soft sealing grips

The transparency of suction tube helps in clear visibility of flowing fluids

Suction Tube has inner Diameter of 10mm & wall thickness is 2.5mm

Suction tube is manufactured with superior grade Plastic raw material which helps to retain elasticity even after prolonged use

Suction Tube has excellent flexibility & is heat resistant

Suction Tube is Odour less & is autoclavable.

We are Manufacturer, Exporters and Suppliers of Suction Tube at wholesale competitive prices from India.
