

Labycare-Multi-Colored Measuring Tape 1.5 Meter (SKSS-HS19)

Multi-Colored Measuring Tape 1.5 Meter Manufacturer by LABYCARE

Description :

Multi-Colored Measuring Tape is also known as Tape Measure Multi Color

Multi-Colored Measuring Tape is made from fibreglass threads cast in plastic PVC

It has sturdy quality, general purpose tape measures with black graduation.

Both ends comes with metal tips

Fiberglass tape measure comes with an advantage of withstanding contact with the majority of chemicals, moisture, water and temperature fluctuations

It can be bent, lighter and more flexible to work .

The tape is non-conductive and is safe to use while working in close proximity to sources of electricity

The scale starts immediately at the end fitting and is ideally suited for both internal and external measurements

We are Manufacturer, Exporters and Suppliers of Multi-Colored Measuring Tape 1.5 Meter at wholesale competitive prices from India.
