

Labycare-Sharp Container Mounting Bracket (SKSS-BP017)

Sharp Container Mounting Bracket Manufacturer by LABYCARE

Description :

A Sharp Container Mounting Bracket is a secure support accessory designed to hold sharps disposal containers on walls, trolleys, or workstations. It improves accessibility, saves space, and enhances safety by keeping sharp waste containers stable and off the floor in healthcare settings.

Specifications :

- Durable metal or high-strength plastic construction
- Designed to hold standard sharps containers
- Easy wall or surface mounting
- Secure locking mechanism for stability
- Space-saving and accessible installation
- Suitable for hospitals, clinics, and labs
