

## Labycare-X-Ray Shield Grids (SKSS-XRP036)

X-Ray Shield Grids Manufacturer by LABYCARE

### **Description :**

X-Ray Shield Grids are also known as Anti-scattering grids

X-Ray Shield Grids are used to improve radiographic results.

X-Ray grid captures the scattered radiation that passes through it to let only the radiation of the primary beam.

Spacings of the anti-scattering grids are pure aluminum, which allows a good ratio of absorption between the lines and spaces for better images quality.

We are Exporters and Suppliers of X-Ray Shield Grids at wholesale competitive prices from India.

### **Specifications :**
