

Labycare-Vacutainer Needle / Blood Collection Needle (SKSS-MD064)

Vacutainer Needle / Blood Collection Needle Manufacturer by **LABYCARE** in India. It is a safety-engineered, multi sample blood collection needle that offers a simple, effective way to collect blood while reducing the possibility of needle stick injuries.

Description :

Labycare Top cover are made of medical grade PP. It gives protection to needle from damage.

Lower covers are made of medical grade PE.

Needle tube is made from cold roll stainless steel. The needle tube is thin walled which allows a larger internal diameter resulting in improved flow rate.

Needle Tube Sheath

Flexible rubber tube covers the backside of needle tube. This act as end blood stopper when needle is withdrawn from sample tube.

To minimize trauma and with short Bevel to minimize risk of vein cross perforation.

Packing :

Each unit is sealed by self-adhesive tamper evident label.

We are Exporters and Suppliers of Vacutainer Needle / Blood Collection Needle at wholesale competitive prices from India.
