

Labycare-Intubating Stylette (SKSS-MD094)

Intubating Stylette Manufacturer by **LABYCARE** in India.

Description :

Labycare Intubating Stylette is used along with Endotracheal Tube to aid during intubation.

Stylette is smooth plastic coated with flexible malleable aluminum design which allows the stylet to be easily adapted to any desired shape

Stylette has soft distal tip to reduce the possibility of intubation damage

Stylette has smooth surface for ease in introduction and removal from ET tube

Stylette is clean packed

We are Manufacturer, Exporters and Suppliers of Stylette at wholesale competitive prices from India.
