

Labycare-Clark Head Light (SKSS-DP0045)

Clark Head Light Manufacturer by **LABYCARE** in India.

Description :

Labycare Clark Head lights are used for checkup and treatment of ENT.

Clark Head lights are made of high-quality plastic which are having self containing reflector and wide stylish band.

Clark's Head Lights contain a concave mirror and 6 volt bulb.

These lights have a long wire to give more flexibility to the doctor during observations.

We are Manufacturer, Exporters and Suppliers of Clark Head Light at wholesale competitive prices from India.
