

Labycare-Thread Counter Plastic (SKSS-DP0053)

Thread Counter Plastic Manufacturer by **LABYCARE** in India.

Description :

Labycare Thread Counter is also known as Linen tester.

Linen tester is a strong magnifier with a measuring scale and a built-in stand.

Thread tester was invented to check the quality of woven fabrics. It is used in the textile industry to measure the number of weft and warp threads within a certain area of fabric.

Thread Counter is made of Superior Grade Plastic.

We are Manufacturer, Exporters and Suppliers of Thread Counter Plastic at wholesale competitive prices from India.
