Labycare-Stethoscope Fetoscope (SKSS145X)

Stethoscope Fetoscope Manufacturer by **LABYCARE** in India.

Description :

Labycare Stethoscope Fetoscope is designed for superior auscultation of the fetal heart.

Stethoscope is equipped with chrome-plated brass binaural and stem.

The 22 inch Y tubing can be easily shortened to facilitate use of the headrest.

Specially designed fetal stethoscope has superior sound sensitivity to hear a baby's heartbeat during pregnancy (usually after 18 to 20 weeks).

Stethoscope Fetoscope includes binaural and vinyl coated headrest.

We are Manufacturer, Exporters and Suppliers of Stethoscope Fetoscope at wholesale competitive prices from India.
