

## Labycare-Rice Whiteness Tester ( SKSS-RLE2013)

Rice Whiteness Tester Manufacturer by LABYCARE

### Description :

Rice whiteness tester is an instrument used to measure the degree of whiteness in rice, which can be an indicator of quality and processing levels. The whiteness of rice is often assessed to determine the extent to which the outer layers of the rice grain, including the bran, have been removed during milling.

### Specifications :

Measurement parameter	Whi
Measurement Range	5.0-
Resolution	0.1.
Accuracy	0.5%
LCD	Alph Valu
Light Reflection	Bas

Suitability	For
	glut
Power Source	220
