

Labycare-Moveable OT Light LED (SKSS857A)

Moveable OT Light LED manufacturer by **Labycare** in India.

Description :

Labycare Moveable OT Light LED is suitable for hospital and clinic use such as surgery treatment, and other etc. Memory Function, High quality sterilizable handle, With protective fire resistant ESG safety glass for scratch proof, fast disinfection process, protects UV and IR rays and improve light penetration. With special European design for ventilation of heat. Body is made of high quality fire resistant polymer. It have adjustable functional by remote and manually. It is used by leading hospitals, healthcare institutions, clinical & medical centers of India and others countries of the world. This is rigorously tested on certain parameters to ensure their smooth functioning at customers end.

Specifications :

1. Light Source: LED
2. Power: 100W
3. Voltage: 220V
4. Frequency: 50Hz
5. Lifespan: 50,000 hours
6. Color Temperature: 4000K
7. Beam Angle: 120°
8. Mounting: Wall/ceiling
9. Material: Fire resistant polymer
10. Sterilizable: Yes
11. Memory Function: Yes
12. Remote Control: Yes
13. Manual Control: Yes
14. UV Protection: Yes
15. IR Protection: Yes
16. Scratch Proof: Yes
17. Disinfection: Fast
18. Ventilation: Special European design
19. Adjustable: Yes
20. Used by: Leading hospitals, healthcare institutions, clinical & medical centers of India and others countries of the world.
