

Labycare-Eco Frame Belt (SKSS-RP449)

Eco Frame Belt Manufacturer by LABYCARE

Description :

Eco Frame Belt has two strap elastic design with flexible metal frame having both paraspinal and lateral supports.

Eco Frame Belt is made of light weight metal frame with flexibility to adjust the contours of the back region

Eco Frame Belt is used for acute low back pain, slip disc,disc herniation, lumbar fracture and post surgery.

Eco Frame Belt ensures immobilization of spine with more rigid back support.

Eco Frame Belt restricts the side movements of the back due to all round back support of the metal frame.

We are Exporters and Suppliers of Eco Frame Belt at wholesale competitive prices from India.
